LEARNING ABOUT JAPAN THROUGH MANGA AND VIDEO GAMES

with Benjamin Boas

Do you like Japanese anime, manga, video games?

Benjamin Boas will talk about how his early love of Japanese pop culture led him to study Japanese, move to Japan, and eventually publish his manga book in Japan. He will also share his experience of becoming an expert on Japan and Japanese popular culture.

Benjamin Boas is named by the Japanese Government's Cabinet Office as a Cool Japan Ambassador; Benjamin is the author of "Learning about Japan through Manga and Video Games," itself a manga published by Shogakukan. He regularly appears in television programs on NHK World.
