The Japan Club is pleased to announce Origami Workshop from 2:15pm to 4:25pm on Wednesday, April 17, 2019 @ M-158. A few international students from Japan and Japan Club members who have been practicing origami will introduce the art of origami to workshop participants. Everyone, including non-members, is welcome!

[From Wikipedia] *Origami* (from *ori* meaning "folding", and *gami* meaning "paper") is the art of paper folding, which is often associated with Japanese culture. In modern usage, the word "origami" is used as an inclusive term for all folding practices, regardless of their culture of origin. The goal is to transform a flat square sheet of paper into a finished sculpture through folding and sculpting techniques. Modern origami practitioners generally discourage the use of cuts, glue, or markings on the paper.
