## Monday, July 8, 2019 **DATE:** 11:30am-4:00pm TIME: JAPAN ICU FOUNDATION (475 RIVERSIDE DR, NY **PLACE:** 11105) & LAGUARDIA COMMUNITY COLLEGE

A group of Japanese students at International Christina University (ICU) in Japan will visit New York and we will have a chance to spend a half day with them exploring the city, discussing cultural differences between Japan and the U.S. and completing a collaborative presentation project. This is a great opportunity for international experience and learn more about Japan directly from peer students. Current LaGuardia students and alumni can participate in this event. Please register for the event at http://bit.ly/lagccEventReg. Lunch and Metrocard will be provided. For inquiries, please contact Tomonori Nagano (tnagano@lagcc.cuny.edu / 718-482-5484).
